President's Report

Given the challenges over the last 2-3 years, it was amazing to finally get a full uninterrupted season completed. It provided yet again the opportunity for this Club to display the amazing community minded attributes that set us aside from all other sporting entities within the Association.

I'm pleased to say the Club has been able come out of the other side of COVID and continue to go from strength to strength, in particular the areas of Club operations, membership, services, and on field success. It's been a fantastic effort by *everyone* involved with the Club. It's our committee, members, volunteers, parents, and of course our loyal sponsors which set us apart from other Clubs in the Association.

The Club continues to provide exceptional service and value for money.

It was a pleasure to work alongside this year's Committee Vanessa Flanagan, Michael Darmody, Melissa Pontt, Sharee Warhurst, Abbey Mitchell, John Pimm, Glenn Bourke, Kerry Devereaux, Phillip McQuilton, Taylah Pontt, Ben and Danielle Martin and Krystina McFerran for their passion, efforts, and contribution. All should all be proud of the significant positive impact you have made to this Club.

I would particularly like to express my appreciation and thanks to the clubs Treasurer Michael Darmody and assistant Abbey Mitchell. It is only with the freedom that strong financial governance provides us that we can offer great service to our membership base. Once again, the Club has worked hard to deliver a strong financial position.

As we have become accustomed too, Secretary Vanessa Flanagan has done an amazing job keeping the 'operations' of the Club efficiently ticking over. Her focus on the wellbeing of the Clubs members and passion for the direction the Club is heading is second to none.

I would also like to acknowledge the efforts by John Pimm and his amazing community minded family for their efforts in managing the canteen/coffee van across virtually every weekend of the season. These efforts were reflected in being awarded this season's Marg Darmody Best Club Person Award. Thank you.

I would also like to personally thank Phill McQuilton, who after 10 years will be stepping away from the Committee at the end of 2022. Phil has been a source of great strength, dedication, and passion over that time, and I would like to acknowledge his significant contribution – always working behind the scenes for the betterment of the hockey club. Thank you.

A key to our success is of course our amazing major sponsors and on behalf of the Club I thank them including – McDonalds, Blazing Stump, GreenStreat, Noels Plumbing, Hume Bank, Quest Wodonga, , and Tobin Brothers.

Special thanks to JDK Management who once again was our major sponsor of the Clubs BiH Competition. This sponsorship is our most significant sponsorship arrangement to date. BiH is a critical revenue stream for the Club and has been a

key reason why we have been able to offer exceptional service for money as well as raise funds for key Club projects. I encourage all our members, if you haven't already, to consider joining BiH next season. Special thanks to Ben and Danielle Martin and Vanessa Flanagan, for managing this season's competition.

In 2022, the Club was able to field competitive sides across all junior and senior teams – well done to all players. This of course is not possible without the dedication and commitment of our many coaches and managers. A BIG thank you to you all and I hope many, if not all, are considering putting their hands up again for next season for what will be an amazing next year. A big congratulations to our Div. 3 ladies' white team for taking out their respective grade premiership. If we continue to develop on the field as we saw across 2022, I have no doubt we will see more success next season.

Other key highlights for the Club was holding our successful regular registration event, which other Clubs are now copying, our ongoing presence within the schools road shows, the highly successful Come & Try and Under 10's program (having more players than any other Club), the purchase of a coffee van to service both the Clubs members and wider hockey community, another successful BiH competition, securing and/or retaining a strong sponsorship base, holding the inaugural Chandler-Maggs Shield, Club Day, very enjoyable Silent Auction/trivia Night where critical funds were raised, the inclusion Pride Round (Fair go, Sport), and very successful end of season junior and senior presentation events, of which the later was sold out with over 150 members attending.

Most excitingly, the Clubs endeavours to create a real home for the WHC in the shape of a Club House and new changerooms/amenities is increasingly taking shape at the Wodonga Hockey Centre as the respective builds take shape. Currently we are on schedule to have these amazing new facilities handed over to the Club at the back end of quarter 1 2023. This will undoubtedly be a significant moment for the Club, securing our future as one of the prominent hockey Clubs in regional Victoria. A reminder that the total cost of the build sits at an astonishing \$3.2M, of which the Club worked hard with the relevant City, State and Federal authorities to secure. The Club will contribute an amazing \$200k to the build. We would like to thank the City of Wodonga, the Federal Government, and the Victorian State Government for recognising our vision and backing both the Club and the sport in our community. The dream is nearly a reality!

It's been an honour to serve as your President in 2022.

Go Doggies!!

Kyle Brereton - President | Wodonga Hockey Club 2022

Treasurer's Report

I present to all members the financial reports of the Wodonga Hockey Club for the 12 months ended 31 October 2022. In our first "full year" for a couple of years, the club has once again been able to achieve a healthy surplus.

Cash Position

As at 31 October 2022, we have \$782,494 in cash and cash equivalents, an increase of \$25,965 on the previous year. This balance includes the \$500,000 grant received last year for the club house build, which will be spent over the coming months.

Subscriptions - The shift to Hockey ACT

Given Hockey Albury Wodonga's decision to align themselves with Hockey ACT, the club made the decision to change the way in which we structured our fees. In the past, we have been able to attend to the Hockey Victoria/Hockey Australia affiliation payment on behalf of our members. This year, due to reason beyond our control, we were unable to provide this service to our members anymore. Therefore, to ensure that the member was not out of pocket, we reduced our fees by the affiliation amount that they needed to incur personally and directly with Hockey ACT/Hockey Australia. Whilst the subscriptions line item in the financial report has decreased from a dollar perspective, our member base is consistent with last year.

Sponsorship

As a club we have some terrific sponsors, who we continue to form wonderful relationships with year-on-year. These businesses include JDK Management, McDonalds, Blazing Stump Hotel, Greenstreet, Hume Bank, Grealy Motors, Noel Petts Plumbing, Tobin Brothers & Quest Wodonga. We also have many organisations who support us via our player sponsor initiative. Such sponsorship enables us to provide opportunities to our members, keeps the cost of hockey to affordable levels and ensures that we remain financially strong.

Fundraising

Post COVID restrictions, the club was again able to return to the world of holding fundraising events, most notably our trivia night. We were able to generate in excess of \$5,000 from this one event, which is a wonderful achievement from all involved. These funds will be crucial when it comes to fitting out our new club house, so that we have a space that is both attractive and functional.

Canteen

Obviously, our traditional canteen building was dismantled at the start of the year to make way for the new club house. As a committee, we didn't want to lose this income stream, but we felt it was also important that we continue to provide a service to the wider hockey community, so we decided to purchase a coffee van. Overall, the canteen/coffee van was able to generate approximately \$6,000 towards the profitability of the club. We were also able to turn around and sell the coffee van at the end of the year for a profit to the club.

Many thanks must go John Pimm and the entire Pimm Family, who contributed a significant amount of their time, as well as the donating their canteen coordinator payment. A brilliant effort, Pimm Family.

Final Acknowledgements

I do wish to recognise the efforts of the committee over the last 12 months, including my executive committee members who supported me throughout. In particular, I wish to acknowledge my assistant treasurer, Abbey Mitchell, for her efforts in chasing subscriptions and supporting me in the treasurer's role. Also, to Vanessa Flanagan for her general assistance across all matters throughout the year.

Also, I wish to thank Stephen Clarke at Johnsons MME for again attending to the audit of this year's reports.

This year I will be stepping away from the Treasurer's role. I plan to still be involved on the committee for the next 12 months, to transition in the new Treasurer and to ensure that club is structured in a way that will benefit future committees.

In summary, it has been another successful year financially. With the finalisation of the club house build on the horizon, the club is going to look somewhat different next year from a finance point of view, but we remain financially strong to be able to move forward.

Michael Darmody - Treasurer | Wodonga Hockey Club 2022

Secretary's Report

2022 has been a very contrasted year to 2021 for the Wodonga Hockey Club committee.

The committee have held 11 meetings throughout the year. Countless important decisions were made by the committee during the year to assist all members and safeguard the security and future of the club. I would like to express thanks to the executive team for their support, Kyle and Michael have been great to work with & I have enjoyed being part of the team. Also, thanks to our general committee & members of the club for their support during the year.

What a bright future for our club, the clubhouse build that is almost at completion for all members, player numbers, new coaches, and overall direction we are heading.

Moving forward we need to ensure Wodonga Hockey Club is out in the community with TV Ad, schools, media to bring awareness of hockey to the community. You will find details in other exec reports, so will not go over any details already highlighted. The club will need to work hard in 2023 to ensure our numbers and the longevity of hockey in our area.

Wodonga Hockey Club has a bright future, and I cannot wait to have the opening / naming of the new club house

Vanessa Flanagan - Secretary | Wodonga Hockey Club 2022

Senior Development Officer Report

Div. 1 Men's Report 2022

This year brought a new & different change to the Division 1 men's side, with a new coach, new structures, and a new culture. When starting the year, the goals I had set for the team were to learn new ways of approaching the game of hockey that would hopefully see some success come to the team. I was able to introduce a standard of hockey & culture that not only the Div. 1 men's team can enjoy and be proud to be a part of, but to also encourage other grades and players to follow in their footsteps.

The year started in good form, and the players adapted to change convincingly. There was a push for players to want to step up into Div. 1 & play well. Success naturally followed with this mentality. The men learned to look at the game through each other's eyes and started playing for one another and not for themselves. They worked really hard through games and were committed to training.

In the lead up to finals this year there was something the men had explained to me that they hadn't experienced club training at this high standard before and I asked a lot from them such as high work rate on and off the ball, composure, and discipline. This was new to them, but I felt we were able to really find the potential in players without risking their joy for the game. Unfortunately, the Grand-Final didn't land in our favour after all the hard work we put in and we finished the season second.

I try to see the silver lining in most things and see this year has been a success in more ways than one. The Div. 1 men have set their own standards for themselves and the team; hard work, communicating with their coach and teammates, being disciplined on and off the field. These men, next year will be great role models and representatives of Wodonga Hockey Club with these attributes and with a desire to do one better.

I still have a lot I can teach this group in 2023 as I've only broken the surface of what I have to offer as a coach, and to keep the trajectory of all men's hockey within Wodonga hockey club moving upwards.

Regards
Jeremy Payne

Div. 1 Women's Report 2022

2022 presented many challenges - the draw came out with only a weeks' notice, this was unsettling for the players .

With Ben Martin training most nights with the men, it was agreed to combine Div. 1 and Div. 2 ladies, this was a great success as players transition from grade to grade was seamless.

Div. 3 ladies trained under Chris Brereton most nights with Kerry Devereaux training in goal's, getting 2 teams each week provided a think outside the box approach at the start, eventually working out.

Div. 1 ladies did not finish in finals contention, however the latter part of the season was a great improvement, in the end it was a fair assessment of our player skill level, from this assessment I believe the club has to develop better skill base within the junior levels as this provides a challenge to be competitive with the other clubs at senior level.

Overall I was happy with the senior ladies, with Div. 2 being runners up and Div. 3 white winning the premiership.

I would like to be considered again for next season as I believe we will be more competitive with the current players.

U10's Report

2022 was a fantastic year for the little people of the club with 34 excited children participating in U10s this season.

We had 3 teams an U7s, a beginners U10s and then an experienced U10s whom these kids have been playing for a while. We were lucky enough to see a few of these kids go up to U12s and have a crack at higher grade. We had 2 then go on to play U11's for Hockey Albury/Wodonga to experience what it takes at representative level.

We had fantastic support from two senior players of the club in Shae and Danni who helped with coaching the 2 other teams.

The future of Wodonga Hockey Club is in an amazing position with these talented children. Regards Bree & Reece Baily

Umpire's Report

The 2022 umpires from Wodonga all ran smoothly, we had a few young up and coming umpires. A standout was Ruby Kane that umpired many junior games. Communication ran smoothly this season.

Border Indoor Hockey

The Indoor 22/23 season has started strong with good numbers across all the grades, 130 total players.

It is excellent to have 4 junior teams back and seeing the kids improve their indoor skills each week.

Senior Women's is still strong with the need to have 5 teams and 6 on the court. Senior Men numbers have improved with all four teams having a GK.

Our Premier grade has started well with 4 teams and 7-8 per team.

We have improved our administration by using a new player and match online system. Match results are now entered live via iPads by the tech bench.

We are planning to send a men's and women's team to the Victorian Club Championships in Melbourne at the start of March.
