Our Vision

The Wodonga Hockey Club is dedicated to ensuring accessibility to community-based sporting facilities for all members of the community.

By providing affordable opportunities, we empower individuals to not only learn hockey skills but also develop transferable skills applicable to daily life. Through active participation in our club, members cultivate connections and pathways within the local community, benefiting from interactions with positive role models. Being part of a community.

We place a strong emphasis on uniting children from diverse backgrounds across the greater Wodonga area through sports, which has been proven to enhance overall well-being, both physically and mentally. As children join our club, their families also become involved, fostering stronger familial and community bonds in line with our motto of "Family ■ Fun ■ Fair."

Sponsorship support is integral to every aspect of our club's operation, from maintaining equipment for members to minimising on-field costs and ensuring accessibility for all individuals and families.

Our commitment to the community remains steadfast, regardless of individual circumstances, as we strive to eliminate barriers and provide equal opportunities for everyone to experience the joys of our remarkable sport.
