

JULY NEWSLETTER

Recently we held our annual Club weekend culminating in the playing for the Dave Chandler Memorial Cup! Though the weather wasn't on our side, the weekend was still a huge success on many fronts. The entire weekend was a celebration of the Wodonga Hockey Club including its past and present players, its life members, our wonderful sponsors, our resilient supporters, and our terrific juniors. The weekend gave us an opportunity to enjoy each other's company in a fun and friendly atmosphere.

The Dave Chandler Memorial Cup - played between our Div 1 Mens team and the Albury Magpies - was of particular importance for our Club. The Cup is played to recognize past President Dave Chandler's contribution to the Club who passed away in 2002 from cancer. The day is used to increase the awareness of the risks of cancer within men and to raise valuable funds for the Cancer Councils "Call to Arms" program. Visit our Web Site and Facebook for more details and photos
