

SECRETARY REPORT 2015

2015 has been a very busy year for the Wodonga Hockey Club committee. The committee have held 11 meetings throughout the year. Many important decisions were made by the committee during the course of the year to help all members and ensure the security and future of the club.

In the 2015 season we increased our playing numbers.

I would like to thank the executive members for their support and patience I have enjoyed being part of a great team. Also thanks to all general committee & members of the club for their support during the year.

The future of our club is looking very good with the expansion of members services...Also Wodonga Hockey Club was out in the community in 2015, increase sponsorship, media and general public are becoming aware of hockey more.

The 2015 social year was one of the biggest to date. There were record crowds at all the events and many more memories created.

Start of season Cocktail Night

A wonderful new event to start the season off on a high, the cocktail night was held at the Stump Hotel with all welcome and enjoyed by all.

HookIn2Hockey BBQ's

After a new shirt was worn, few hits of the ball, our new Players kicked off the program with a sausage and soft drink & made some new friends along the way.

Trivia Night

Trivia night was held at the SMSF Building. We had record attendance and a great night was had by all raising funds for our club.

Club Day

Club weekend was an important event this year for all players and sponsors, with 'player sponsors' & 'Major sponsors' showing them what they are part of. The weather was beautiful this year. A good turn out from Life Members, some sponsors and many players.

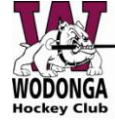

Presentation Night

The night was held at Huon Hill Wodonga. Ticket sales rocketed at the last minute and the venue was packed to the rafters with record numbers of 130 people. Many drinks were consumed and once the DJ started, the dance floor filled up quickly.

Bring on 2016. I can only hope that Wodonga Hockey Club keeps growing on and off the field.
